शहरी विकास मंत्रालय में राज्य मंत्री (श्री दलबीर सिंह) : (क) और (ख) दिल्ली नगर निगम अधिनियम, 1957 (समय-समय पर संशोधित) का उल्लंघन करने के लिये कथित प्रापर्टी डीलरों का कोई रिकार्ड दिल्ली नगर निगम के पास उपलब्ध नहीं है। तथापि, दिल्ली नगर निगम ने सूचित किया है कि दिल्ली नगर निगम अधिनियम, 1957 के उपबंधों के उल्लंघन के लिये 1985-86 के दौरान उनके द्वारा कई मामलों में अभियोजन आरम्भ किये गये है। नांगलोई, नजफगढ, जफरपुर कला क्षेत्र के अभियोजन के लिये कुछ और मामले उनके द्वारा तैयार किये जा रहे हैं।

केन्द्रीय अन्वेषण ब्यूरो द्वारा जांच के लिये कोई प्रस्ताव नहीं है।

Fire safety equipment in multi-storeyed buildings

2817. SHRI MUKHTIAR SINGH MALIK: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether it is a fact that most of the Multi-storeyed buildings in the country and particularly in the capital do not have proper fire safety equipments;

(b) if so, whether Government propose to take strict action against the owners of the multi-storeyed buildings who do not take all precautions for fire safety measures in these buildings; and

(c) if not, what are the reasons therefor?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI DALBIR SINGH): (a) Cases of inadequacy of fire safety equipment in the capital have come to the notice of the Government. Though hard information is not available for the entire country but the position is reported to be by and large, the same.

(b) and (c) Parliament has recently passed the Delhi Fire Prevention and Safety Act, 1987, which seeks to deal with the problem comprehensively and effectively. Rules framed thereunder are being notified.

Payment of overtime allowance and medical reimbursement by FCI and Central Warehousing Corporation

2818. SHRI VIRENDRA VERMA: Will the Minister of FOOD AND CIVIL SUPPLIES be pleased to state:

(a) the amount of annual overtime allowance, category-wise, paid to the employees of the Food Corporation of India and the Central Warehousing Corporation during the last three years, year-wise and also during the current year till date;

(b) the annual amounts reimbursed on account of medical charges to the employees, category-wise to the employees of the above mentioned organisations during the above period; and

(c) what precise measures have been taken by Government to bring down the overtime allowance and medical reimbursement to the minimum?

THE MINISTER OF PARLIAMENTARY AFFAIRS AND THE MINISTER OF FOOD AND CIVIL SUPPLIES (SHRI H. K. L. BHAGAT): (a) and (b) The amount paid by the Food Corporation of India and the Central Warehousing Corporation to their employees during the last three years on account of overtime allowance and

reimbursement of medical charges is given below:—

(Rupees in lakhs)

Year	Food Corporation of India		Central Warehousing Corporation	
	Overtime Allowance	Reimbursement of medical charges	Overtime allowance	Reimbursement of medical charges
1983-84	1017.77	321.45	5.06	23.10
1984-85	1650.34	411.40	74.95	53.83
1985-86	1742.56	436.79	19.41	66.32

The category-wise breakdown of the amount paid during the last three years by the two Corporations is not readily available. The expenditure incurred during the current year on payment of overtime allowance and reimbursement of medical charges would be known at the end of the financial year after the annual accounts are finalised by the Corporations.

(c) Reduction in expenditure on overtime allowance and medical reimbursement is a continuing exercise. The steps taken so far by the Corporations are as follows:—

Food Corporation of India

(1) *Overtime allowance (OTA)*

(i) planning disposal of work in a manner that reduces need to employ staff on payment of OTA to minimum;

(ii) deploying minimum staff on payment of OTA, where such deployment in inescapable; and

(iii) controlling expenditure on OTA through periodic reviews.

(2) *Reimbursement of medical charges*

(i) keeping a watch so as to avoid false claims;

(ii) taking disciplinary action against employees responsible for making payment without proper verification; and

(iii) allowing reimbursement for purchase of medicines from super bazars/cooperative stores only, where such facilities exist within 2kms. from the residence of employee.

Central Warehousing Corporation

(1) *Overtime allowance (OTA)*

(i) planning disposal of work in a manner that reduces the need to employ staff on payment of OTA to minimum;

(ii) deploying minimum staff on payment of OTA, where such deployment is inescapable; and

(iii) staggaring working hours, wherever possible, keeping in view operational requirement.

(2) *Reimbursement of medical charges*

(i) admitting claims in excess of Rs. 50/- in each case, only if

accompanied with wrappers/empty containers of medicines; and

(ii) removing authorised medical attendants against whom complaints received.

The Corporations have been advised to scrutinise the matter further.

Technology Missions on Animal Breeding Dairy Development etc.

2819. SHRI VITHALRAO MADHAVRAO JADHAV:
SHRI RAOOF VALIULLAH:

Will the Minister of AGRICULTURE be pleased to state:

(a) what are the programmes of Technology Missions in Agriculture, oilseeds, Dairying and Animal Breading and Drinking Water;

(b) the scale on which these are to be introduced; and

(c) what is the future scope for these programmes?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINISTRY OF AGRICULTURE (SHRI YOGENDRA MAKWANA): (a) Technology Missions have been launched only on Oilseeds and Drinking Water. No Technology Mission has been set up on Agriculture or Dairying and Animal Breeding. The objective of the Technology Mission on Oilseeds is to make the country self-reliant both in edible and non-edible oils as early as possible and reduce imports through an integrated approach involving different developmental, scientific, banking, marketing and processing agencies. The Technology Mission on Drinking Water in Villages has been constituted to provide safe drinking water in villages by the year 1990; 70 litres of potable water per capita per day in desert areas and 40 litres per capita per day in other areas.

(b) and (c) The Technology Mission on Oilseeds shall be a Mission in totality starting from the engineering of seeds and finishing with the final products of vegetable oils for the consumer. The target of the Technology Mission on Oilseeds is to attain a level of porduction of 18 million tonnes of oilseeds and a recovery level of 5 million tonnes of edible oil by the year 1989-90.

As regards Technology Mission on Drinking Water in Villages it shall start from finding the scientific source of water and go up to making available safe drinking water to the people and also to promote awareness through community involvement. The objective is to cover 2.27 lakh residual problem villages by 1990.

Farm research

2820. SHRI RAM AWADHESH SINGH: Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that efforts on farm research and development was not commensurate with heavy inputs and infrastructure; and

(b) whether Government propose to abolish Agricultural Scientists Recruitment Board and brought it under UPSC and revamp ICAR and brought at under the Department of Science and Technology?

THE MINISTER OF STATE IN THE DEPARTMENT OF AGRICULTURE AND COOPERATION IN THE MINISTRY OF AGRICULTURE (SHRI YOGENDRA MAKWANA): (a) No, Sir.

(b) No, Sir.
